SEBASTIAN RAINER REJOINS THE **BEKUM AMERICA TEAM**

Williamston, MI – Bekum America Corporation is pleased to announce the return of Sebastian Rainer to its management team. Rainer has joined the Bekum team as the new Chief Sales Officer. In his new position, Rainer will be responsible for Sales, After Sales and Manufacturing departments, aligning these areas to support operational efficiency and accelerate strategic growth of the company.

“We are thrilled to welcome Sebastian Rainer back to the Bekum team.” said Steve London, President and Chief Operating Officer. “Rainer has a wealth of industry expertise and had many successful years at Bekum America. I know our customers will enjoy once again working with Sebastian.”

Rainer originally joined Bekum in January of 2013. During his time at Bekum, he held key leadership roles including Assistant Production Manager and later Manager of After Sales. Sebastian joins BAC with an outstanding background including:

- Graduate engineer (BA) service engineering from the University of Cooperative Education Leipzig
- Advanced Technical Certificate
- Vocational Training/Apprenticeship – Industrial Engineer Mechanical and System Engineering in module and final assembly – StarragHeckert GmbH

“I’m honored to return to Bekum and to continue contributing to what is already an amazing team,” Rainer said. “Where I started at Bekum versus where I am currently, is an exciting next step in my career and I look forward to applying my background to support the Sales, After Sales, and Manufacturing departments.”

BEKUM America was established in 1979 with the mission to introduce top quality blow molding machinery, designed to produce plastic bottles, containers, and other large plastic parts in the North American marketplace, via blending German design and technology with American skill and ingenuity. Bekum’s customer base includes large multi-national customers, as well as owner/operator plastic bottle manufacturers.
